ORDER TO SATISFY OR ANSWER

Louisville Gas and Electric Company ("LG&E") is hereby notified that it has been named as Defendant in a formal complaint filed on January 13, 1987, a copy of which is attached hereto. Paddlewheel Alliance of Louisville, Kentucky, ("PWA") and the Utility Ratecutters of Kentucky, Inc., ("URCK") filed a complaint against LG&E regarding LG&E's decision to retire Cane Run Unit No. 3. PWA requests "that the Commission order LG&E to not retire Cane Run Unit No. 3 until the Commission investigates, either on its own or by hiring an independent consultant of the Commission's choice, whether Cane Run No. 3 is no longer of service to LG&E's customers." (Complaint, page 2). The complaint also raised the issue of possible rehabilitation of Cane Run Units No. 1 and No. 2.

Upon review of the complaint and the issues raised therein, the Commission believes that to resolve this complaint and to determine if a Commission investigation is warranted LG&E should

respond. Also, LG&E should provide a detailed explanation of its current plans for Cane Run Unit No. 3 and any studies which support LG&E's plans. LG&E should also provide a detailed explanation of its decision to retire Cane Run Units No. 1 and No. 2 and any studies which supported this decision, as well as any studies or information which relate to the possible rehabilitation of these retired units. Finally, LG&E should provide any additional information which it believes would assist the Commission in determining whether an investigation is warranted.

IT IS THEREFORE ORDERED that:

1. LG&E shall satisfy the matters complained of herein or file a written answer to the complaint within 10 days from receipt of this Order pursuant to 807 KAR 5:001, Section 12.

2. LG&E shall provide the other information described herein within 30 days from receipt of this Order.

Done at Frankfort, Kentucky, this 4th day of February, 1987.
